

Practice test 2

Test 2 is on Wednesday, November 8, from 12:00 - 1:00 PM. This test is on sections 4.5-8.3. The actual test will consist of 10 problems (and one problem for extra credit). We will go over the test and cover some new material from 1:00-1:50 PM.

Review sections 4.5 through 8.3 (as well as 1.1 through 4.4, since that material may be needed to do the problems from 4.5–8.3). The following exercises will help you to prepare for the test. Do not turn them in. Be sure to use the answers in the back of the book to check your work! Also, review homework assignments and quizzes given so far. If you have any questions or need help, do not hesitate to ask.
