

## CALL FOR PAPERS

The 2002 annual American Society for Engineering Education/Pacific Southwest Section (ASEE/PSW) Conference will be held on Monday and Tuesday afternoon, **April 8 & 9, 2002**, at California State University, Fresno, CA. This is a call for papers to be refereed and presented at the Conference. The theme for the Conference is “Engineering Education in Transition.”

### TOPICS

Specific topics that may be addressed include, but are **not limited** to, the following:

1. Engineering colleges and the economic crisis
2. Engineering education
  - The TV-studio/classroom; new approach to teaching?
  - Computer in engineering education
  - Engineering design using simulation
  - Senior design-course design
  - Responding to changes in technology and industry demand
  - Laboratories – expensive but necessary?
3. Industry role in engineering education
  - Internship programs for students and faculty
  - Advisory boards and financial support
  - Promoting continuous learning
  - Assessment program design, evaluation, etc. (also includes education side)
4. Distance learning
  - Benefits and problems of synchronous and asynchronous methods
  - Web-based or aided delivery
  - Remote labs/access via the Internet/Web
  - Quality of learning
  - Student advising/guidance in the *e*-world

Abstracts (150 to 200 words) should be submitted by February 1, 2002 to:

W. V. Loscutoff, ASEE/PSW Conference  
College of Engineering & Computer Science  
California State University at Fresno, MS/15  
Fresno, CA 93740  
(559) 278-5593 FAX: (559) 278-4475 (e-mail: walterl@csufresno.edu)

### DEADLINES

February 1, 2002-- Abstracts Due  
February 11, 2002 -- Notification of Acceptance  
March 15, 2002 -- Camera Ready Copies Due
